

Directions to Peterson's coming from Logan:

Head south on Main Street through the intersection, staying left on Hwy 165, past the new Macey's & the Maverick in Providence.

Continue south on Hwy 165 until you reach a green sign on your right indicating "Millville/Hyrum," slow down and turn left at 3100 South/UT 238, by the new Maverick. If you reach the Sinclair gas station, you've gone too far.

Head east on 3100 South, over the bridge and turn right at the first intersection onto 100 West.

Head south on 100 West, which will wind around to the east onto 300 South.

Continue east on 300 South, pay attention to the blue street signs only. When you reach 400 East, slow down. Pass Canal Road (dirt road) and take your next right onto a dirt driveway/easement, just past the cream-colored brick home with the brown roof.

There is a little white house in front of ours. You'll see a big barn to the west of our house and a long wooden fence in front of our house that says "444 Peterson" on one of the light posts. If you reach Millville Park, you've gone too far.

The address is: 444 East 320 South, Millville. If you get lost, call me 760-4464 or Brad 232-3998.
